Certainly to the fans and participants in the six-man football quarterfinal matchup between Wilcox-Hildreth and McCool Junction in Hildreth on November 2, won by the Falcons 70-58, the game will be recalled for a while to come, an “instant classic”.

There was a sizeable first half McCool Junction lead, a huge W-H comeback, a number of lead changes, lots of big plays (offense and defense) and an outcome that wasn't settled until the final minute.

Wilcox-Hildreth was stifled in the first half by three turnovers and an aggressive McCJ defense that forced two punts, made the Falcons' offense work for every yard and effectively bottled up W-H's prolific runner, AJ Jenkins.
