The Minden RYDE bus is introducing a route change to better serve their passengers. The transit service will now offer out of town transportation on a more flexible schedule. Local service will continue in the mornings and scheduled Kearney trips will remain on the calendar. The new service will give patrons the freedom to schedule rides to Hastings, Holdrege and Grand Island throughout the week. "We want to be more flexible. Usually in the afternoon is when we will be able to do those out of town trips," driver Cathy Dzuris said.
